Dear Andy:

On behalf of the Wisconsin Section of the Professional Golfers' Association of America, I would like to request Ozaukee CC as a host site to one of our Wisconsin PGA Pro-Lady events. We are again conducting two sites in 2017 and we would be excited to have the club be our Milwaukee area location. The tournament date is Tuesday, May 30th.

The following is some general information about this tournament.

- Number of players: Maximum 24 fivesomes. Sold out in 2016 at Tuckaway
(1 WPGA Professional and 4 Lady Amateurs per group)
- Format: Two Net Best Ball of Fivesome.
- Time: Shotgun Start at Noon
- Food: Hors d'oeuvres after golf. (\$25 tax/tip included)

The Wisconsin PGA also requests that a halfway house or area inside the clubhouse be open just before and during play. The area and a bar after play are expected to be able to accept cash for purchases.

- Golf / Golf Car / Range Fee: \$21 per player.
- Golf Cars: Each team will utilize two golf cars per fivesome.
- Host Pro Fee: \$75
- Gift Certificates: Dependent on entries, skins game participants, food costs and sponsors, the merchandise sales would be approximately \$2,500.

All prices are inclusive of tax and tip.

The Wisconsin PGA looks forward to visiting Ozaukee CC once again in 2017 and appreciates the club entertaining the opportunity to host. If you have any questions regarding the tournament, please feel free to call me at the section office at (414) 443-3570.

Sincerely,
